## Tribute to Representative Mike Simpson

State Representative Mike Simpson, (D), from Jackson and Chair of the House Agriculture Committee passed away on Friday, December 18, 2009, from a rare blood disorder, while returning home from treatment at the Cleveland Clinic when he suffered a fatal heart attack. Mike worked with a tremendous sense of service and responsibility to his constituents and all residents of the State of

Michigan. We will miss Representative Mike Simpson and we extend our heartfelt prayer and sympathy to his family and friends.
